Reasons for comment:

Comments:	The field is on agricultural land which is not supposed to be used for housing of any kind. Planning permission has already been refused in the past and the situation has not changed since. Nurstead Church Road is a quiet, rural area, popular with walkers and horse riders. It is also on the edge of two villages, Cobham and Meopham and it should be left as a peaceful rural haven for wildlife and farming. If the campsite were allowed to go ahead, services would have to be supplied which would disrupt the peaceful nature of the area. The road itself is too narrow for mobile homes to be transported, which is why trees and hedges belonging to other landowners were ruthlessly cut down and destroyed. Also, a housing development would increase the amount of traffic on all the roads leading to Nurstead Church Road and the local narrow roads are already struggling to cope with the existing traffic. There would be a noise nuisance and light pollution for the neighbouring properties. A mobile home campsite would be out of keeping with the rest of the local area.
