Reasons for comment:

Comments: Meopham is already a very congested area with traffic jams particularly at school time and if there is any traffic works it causes mayhem in the area and back country roads. Local amenities (doctors, schools, shops etc) are at there limits and trying to park or trying to get appointments is frustrating and time consuming. Any further traffic onto Green Lane or the A227 would cause further congestion and would be unsafe. Surely the land needs to be used to grow food for our community as it currently is.

Kind regards
