Reasons for comment:	
Comments:	Parking and road traffic is already at a maximum here and although there is a drive for one space at the property, we have found parking much more difficult on the road since the current HMO has been in place. How many new people will be moving in with new cars and nowhere to park? We are having to park on side roads much more recently, Canterbury Road and Laurel Avenue specifically and taking up space for other house owners in those roads.

Kind regards
