Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Roads and infrastructure of Meopham cannot support this size development . Living on Wrotham Road for last 11 years , have already noticed significant increase in traffic , the Road and area is not designed to support this increase in traffic. It's destroying valuable greenbelt , with impacts to Wildlife and farming with already other sites nearby being developed Will drastically change the area and therefore have a significant impact on local residents

Kind regards
