Reasons for comment:	
Comments:	Although I don't live in meopham, my in laws do and quite near to the proposed site. We also regularly travel through meopham. I for one can't believe you're even considering putting a housing estate up when the road system there is already ridiculous, parking at the shops is a joke, schools are already full, doctors are full, the list goes on. Not to mention the beautiful field you will be destroying.

Kind regards
