Reasons for comment:	
Comments:	There are not enough schools, dentists, Drs to sustain more people in the area. The congestion is a joke, the roads are a joke. This is a village not a town or city. Our children will suffer, our older generation will suffer, the pollution will go up, the environment and wildlife will suffer. We will lose our landscape. There are no positive reasons to build in Meopham. There are plenty of brown site fields to build on away from beautiful villages.

Kind regards
