Reasons for comment:	
Comments:	The area which is green belt land and this should NOT be built on, where these are planned is off a busy main road and will cause additional cars trying to access this road at very congested point. There is insufficient infrastructure and services for these additional people, lack of school places, doctors availability, etc. Meopham is a rural village with a lovely natural environment which we enjoy and the reason for moving to this area so we can be in the countryside.

Kind regards
