Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	More beautiful countryside paved over with concrete! How are the local services going to be improved? More Police? More teachers? More doctors? More nurses? More busses? Wider busier roads? Waste water improvements? I am sure there are more considerations which will not be improved despite promises! If More homes are needed then build more blocks of flats in London where there is still plenty of available land to build on!

Kind regards
