Reasons for comment:	
Comments:	We do not believe building a new housing development here is of any benefit to the community we are a quiet rural village surrounded by protected greenbelt land and we already find it hard getting in to local schools and a doctors appointment is very hard to obtain. Moreover the roads at peak times are already very busy and this development would just make it more dangerous for elderly and young people alike. All of the detrimental effects a development brings ultimately affects house prices too and not in a good way.

Kind regards
