Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The proposed sites are both Greenbelt.. brown field sites must be used first!!! The infrastructure of the surrounding roads would not be able to cope with the increased traffic. The schools and doctors would not be able to accommodate extra needs. The wildlife living and using those fields should NOT be forced out!!! Having lived in Meopham for 40 years i strongly OBJECT to this even going to a planning application... use the alternative brown field sites allocated for housing.

Kind regards
