Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The volume of traffic these houses will create not just for meopham but the surrounding areas of newbarn & longfield would be massive and these small villages do not have the infrastructure to cope with this. This field has been a field for as long as I can remember meaning this is a long term home for wild life. There are many other sites in different areas that would be suitable for new housing rather than destroying nature.

Kind regards
