Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	It's all about the local infrastructure being unable to cope with extra houses in this area. southern water struggle to supply the housing population here now. We have constant power cuts. The local surgery will struggle to take more patients.the schools are overflowing especially with children not within the area. The roads need constant repair with the amount of traffic which already flows through. More sink holes will appear causing more diversions.

Kind regards
