Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	People live rurally to be in nature and not surrounded by buildings, this area is valuable growing land and should be left alone , it is obvious we have too many people on this island of ours, and until that issue is solved we will soon have no green spaces left, and no land to grow on. Stop building homes in beautiful natural spaces

Kind regards
