Reasons for comment:

Comments:	I do not believe anyone would like to stop the owners from having a well deserved retirement but it has been at the detriment to the emotional wellbeing of others having the Amazon and Tiger closed. We are in walking distance of the pub and enjoyed the social events and regularly meeting our friends for a sociable drink. We no longer meet our friends on a regular basis and we miss seeing them. My comment is neutral because I do believe that the owners should be permitted to live at the pub and that they should not be forced to open a pub that they clearly have not enjoyed running for at least the last few years it was open. The evidence for this comment is plain to see from the documentation accompanying their application. I do object strongly to the pub being converted into 2/3 properties and sold on. This is a heart felt plea that whilst there have been other social activities around Harvel it falls short of being the social hub that was the Amazon and Tiger. I do wonder how many of the supporting and objecting comments are from people within walking distance of Harvel as I believe it is these comments that should hold the most weight in whether this application should or shouldn't be approved.
