It is my belief, the pub is the hub of the village and due to this if it is closed down to allow the building of residences, this will affect the mental health, the socialising aspect of the village and will disperse the community. I have attended many events and believe that the closing completely of this location or decimate the village.

Due to the above, I believe this application should be rejected, and no building work should be allowed to commence as the gentleman whom intends to proceed will build these flats with or without permission, and try and fight it at the end, which I believe, is a total slap in the face for local council and planning it would make a mockery of what the council and planning stand for.

Kind regards
