Reasons for comment:

Comments: Our family have spent many an hour with friends within the village. We have spent sociable times in the pub at the various venues they've done and to build residential properties on a pub that is a hub to the community is a disgrace. Our belief that the closing down the pubs has to stop because the community becomes lost and the social element is also lost. I employ you to reject their application due to the fact that it's going to have such an effect on the local economy, the local people, the mindset of the people and it's gonna affect the well-being. Fingers crossed you reject this application and my family and I can continue to attend this lovely village and pub and enjoy the entertainment that they give

Kind regards
