This rural pub is a vital community resource within Harvel. Removing it is devastating to the local villagers. It provides a meeting place for all sections of the community. The local farmers met regularly at The Amazon and Tiger, The local knitting group met weekly at the Amazon and Tiger, the local running club met weekly at The Amazon and Tiger, the local cyclists met weekly. Every local group used this pub.

Connectivity for locals in Harvel is desperately needed, it is the only pub in the village and must be reinstated as such.

Many locals are fully prepared to save their only pub and deserve the opportunity for this to happen.

There is no housing shortage in Harvel village only a pub shortage.

Please consider the success story of The Plough in Trottiscliffe Village on 2 miles away. Written off by the owner and is now owned by the local community. This pub is thriving as will The Amazon and Tiger.

Kind regards
