Reasons for comment:

Comments: I feel as a neighbouring pub goer, us villagers have the right to have a pub in the village where we can all gather and converse with one another. A pub brings the community together and people don't have to walk a long distance or drive to a pub. It's within walking distance for everyone locally. The pub was built as a pub and should remain as a pub. The owner was offered to be brought out and refused. The pub should not be allowed to change at all. Weekly, singers, bands and/or DJs can be brought in to make it a local, lively, and enjoyable environment for everyone. Different events could be held by the villagers to bring everyone together, like quiz nights etc. I strongly object this planning and think it should remain as a pub!

Kind regards
