Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: Given the recommendations from Police to ensure the security of the property, I am concerned that this would require alterations to existing period features, such as the sash windows, altering the character of the building.

Also given the age group of the young people, the property is not a convenient travel distance to a secondary school, increasing the likelihood of school non attendance and anti social behaviour.

Kind regards
