Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	With reference to the above planning application I strongly object to this application [REDACTED] [REDACTED] The building is a lot bigger than the 2.5 metre permitted height. The building looks terrible [REDACTED] My believe is that it should be built at least 2 metres from the boundary. I request that the building should be removed or [REDACTED] the roof should be lowered to 2.5 metres.
