Reasons for comment:	
Comments:	Was buying a house in Istead rise but not now as it will cause so much more traffic and congestion. And most importantly the doctors have said they have no more capacity where are these people going to be seen by doctor as they can't cope now without influx s of hundreds more patients which they have told you about and you seemed to have ignored . What about the hospital it's at breaking point now . Gravesham council can't believe you are going to approve this an absolutely disgrace .

Kind regards
