Reasons for comment:

Comments:	<p>Dear Madam,</p> <p>We would like to raise our concerns and object to number 19 The Fairway being changed from a private residence to a business. The covenant to properties of the entire road is that the properties should not be used for anything else than a private dwellinghouse.</p> <p>With parking already a serious problem in the road, further disrupted by school traffic, the road can simply not cope with more parking. There have already been instances where parked cars have blocked access to the alleyways behind residents' gardens, a real concern should emergency services need access due to a fire.</p> <p>We are also concerned about the lack of information about the company/charity planning to run the business at number 19. The lack of transparency linked with no communication with the residents is extremely concerning. There does not seem to be a valid website, nor an Ofsted or similar report about the company.</p> <p>Based on the breach of our covenant, parking issues and lack of transparency we firmly oppose this .</p>
