Reasons for comment:	
Comments:	This area is crying out for more artificial multi use sports pitches. There are so many football and other teams who would use it and who struggle to play sports in the winter months especially. Sports are a huge part of peoples' lives, or at least it should be, as it has massive health and fitness benefits, and all too often there is a barrier to sports due to the poor weather. And it's not just kids but adults would use this too. This pitch is very needed!

Kind regards
