Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	Strongly OBJECT This will add more pollution and congestion already experienced on Hall Road. Also the following: * Floodlit will cause GLARE into our homes directly opposite. * NOISE! Created by loud spectators this will be a nuisance especially in summer when residents spending recreation in their gardens 7 days a week 8am till 10pm unacceptable. * Hall Road is a main road very busy: this would contribute to more congestion and pollution with HGVs Cars etc using it at all times, especially when there is an incident on the A2. * Parking will be an issue, as nowhere to park vehicles. * Disruption to the many wildlife that habitat within the trees/shrubland trees have been there for 70 years. * Synthetic turf pitch is not environmentally friendly you will be removing perfectly environmentally friendly grass to do this also food source for the wildlife residing there. * There is already a sports complex within Hall Road that is perfectly adequate for sport this application will unfairly jeopardise the jobs and public that use this facility for 50 years. The application by Bupa Care home was rejected back in 1989/90 that was refused by GBC the same objections remain as then now...
