Reasons for comment:	
Comments:	Hi to who it may concern I own a local shop within the local area and these are regular customers of mine they have been coming hear for many years and have always been polite and very friendly and are really lovely people I no they have been staying in unauthorised encampments for a long time and have been searching for a place to stay in the local area I believe it should be approved as these people need a home and have no where else to live

Kind regards
