Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I object to the change of use. The house is in a very residential area - backing on to many houses. The use of the house as a school/home is not acceptable and will reduce the value of all of the neighbour's property. The road is extremely busy and high frequency of use will lead to even more congestion as the school is round the corner and the traffic and parking in the area is terrible.

Kind regards
