Reasons for comment:

Comments:	Dear Planning Officer, I am writing in support of planning application 20260757 for the proposed dwelling on land south of Bowesden Lane, Shorne. The application relates to the erection of a 5-bedroom detached house with a garage and pool house. [REDACTED] In my opinion, this is a sensible and appropriate development. The proposal makes good use of what is currently an underutilised and redundant parcel of land, bringing it into productive use whilst providing a high-quality family home. The design appears well considered and the scale of the property is appropriate for this location. The development will sit comfortably within its surroundings and will enhance the appearance of the site without appearing overdeveloped or out of character with the area. I believe the proposal represents a positive investment in the local area and can be accommodated without causing significant harm to neighbouring properties or the wider environment. For these reasons, I fully support the application and respectfully ask the Council to grant planning permission.
