Reasons for comment:	
Comments:	I absolutely support this planning proposal. The proposal seems thoroughly well thought out and will be an excellent addition to gravesend. This will help the people of gravesend and surrounding areas and I will be using the services regularly. In terms of location it's perfect as I can easily park my car safely and securely in the car park nearby and stroll there in less than a minute. A brilliant initiative and we need to support this amazing project.

Kind regards
