Reasons for comment:

Comments:	Dear Case Officer, I wholeheartedly support this planning application. Gravesend needs as many organisations like this as possible, it's walking distance from the town centre and easily accessible for residents. I'm looking forward to using the centre and I can easily walk there as it is on my way to town, for all the people who use the town centre for shopping etc, this will be perfect as they can walk by this centre. Please accept this application as the council need to help organisations like this, without it we are far worse off.
