Reasons for comment:

Comments: I've lived in Gravesend for a while and I support this application. I don't have a car myself and rely on walking, buses and the train - which is really easy from this part of town. The location of this property makes perfect sense for people like me who don't drive but still need affordable and decent accommodation close to the centre. The plans look reasonable, and as long as the house is managed properly, I don't see any issue. It's a good use of an existing property and helps provide much-needed housing in Gravesend.

Kind regards
