**TOWN AND COUNTRY PLANNING ACT 1990
THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE)
(ENGLAND) ORDER 2015 (AS AMENDED)**

NOTIFICATION OF REFUSAL OF PERMISSION TO DEVELOP LAND
--

To: **Mr S Randhawa
C/O Ms Alice Beeken, Kent Planning Consultancy Ltd
The Workshop, Rose Cottage Farm
North Street, Biddenden
Ashford
TN27 8BA
United Kingdom**

TAKE NOTICE that the **GRAVESHAM BOROUGH COUNCIL**, the Local Planning Authority under the Town and Country Planning Acts, has **REFUSED TO PERMIT** development of land situate at:

**Chalk Pit Cottages
Green Farm Lane
Shorne
Gravesend
Kent**

and being **Erection of a new dwellinghouse.**

Your application dated 17th November 2023 is refused on the following grounds:-

1. The site is within the approved Metropolitan Green Belt. Within the Green Belt there is a strong presumption against permitting new development outside of the present defined extent of urban areas and the present extent of any village. National Planning Policy Framework 2023 Section 13 (Protecting Green Belt Land) indicates that the most important attribute of Green Belts is their openness. The development will not preserve the openness of the Green Belt through construction of 1 additional dwelling, associated hardstanding, lighting, car parking and residential paraphernalia and will conflict with the purposes of including land within the Green Belt as it will encroach into the countryside and urbanise the site. In the absence of any 'very special circumstances' that may otherwise outweigh the harm by reason of inappropriateness, and any other harm, the proposed development is considered to be contrary to the advice in Section 13 (Protecting Green Belt Land) of the National Planning Policy Framework (NPPF) 2023, and Policy CS02 (Scale and Distribution of Development) of the Borough Council's adopted Gravesham Local Plan Core Strategy (September 2014).
2. The application site lies within the locally designated Higham Arable Farmlands Landscape Character Area, where local and national planning policy and guidance expect developments to conserve, restore and enhance the natural landscape. The proposed development, if permitted, would be harmful to the landscape character when compared to the existing site. The harm from the redevelopment of the site in this instance would be derived from the bulk and massing of the dwelling, the associated hardstanding, lighting, car parking and residential paraphernalia. The application is therefore contrary to Policy CS12 and CS19 of the Borough Council's adopted

3. The proposal would result in the significant loss of mature landscaping and scrub land, the proposal would result in a biodiversity net loss, contrary to Policy CS12 (LPCS) and paragraphs 186 and 187 of the National Planning Policy Framework (NPPF) 2023.
4. The proposal fails to secure a contribution towards strategic mitigation measures within Special Protection Areas, and in the absence of this contribution or adequate information to inform an Appropriate Assessment, the development fails to comply with the requirements of the Habitat Regulations and Section 14 (specifically paragraphs 186 and 187) of the National Planning Policy Framework 2023 and Policy CS12 of the Gravesham Local Plan Core Strategy 2014.

NOTIFICATION TO APPLICANT

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to

the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

- If this is a **householder application*** which has been refused and you want to appeal against your Local Planning Authority's decision then you must do so within **12 weeks of the date of this notice**.
- For all other applications, refused or permitted, if you want to appeal against your Local Planning Authority's decision then you must do so within 6 months of the date of this notice.
- **For further information regarding Appeals and to make an application please click the relevant link:**

<https://www.gov.uk/appeal-planning-decision>
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

PURCHASE NOTICES

If either the Local Planning Authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor can he/she render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
