Reasons for comment:	
Comments:	<p>The proposal to build on this site and the scale of it will change the character and feel of Meopham. Brownfield sites should be built on first not good usable farmland. Meopham is a village,lets not change that.</p> <p>The A227 is already a busy and dangerous road this proposal will only make it worse. Also what effect will the new lower thames crossing have on the roads around the village?</p>

Kind regards
