Reasons for comment:	
Comments:	<p>The infilstructure on the A227 will not support this project let alone the narrow country lanes</p> <p>The drs surgery is over subscribed and it is a nightmare getting an appointment now let alone with more patients added to the list .The local Schools are already struggling to find adequate Teaching staff and the shops will not cater for an influx. Public Transport is virtually non Existent . How is this area supposed to support more families! It cant support the ones it has</p>

Kind regards
