Reasons for comment:	
Comments:	I am already concerned about the volume of traffic in our village of Meopham, this will become worse when the lower thames crossing is built. Also concerned about the building of new housing in the village of Meopham as I feel we will no longer be a village and that we do not have the infrastructure to accomodate such a proposal in a small village, plus all the extra traffic and congestion that will come with it.

Kind regards
