Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<ul style="list-style-type: none">- Dangerous access to 120 houses - Potentially 240 cars + Delivery and Service Vehicles- Longfield Road is a very narrow road with residential parking on both sides of the road which is highly congested during school start and finishing times. Traffic volumes will be increased immensely by this application.- Longfield Road speed limit is 50 MPH from the residential area and schools (2). Many cars continue that speed into Meopham which puts the Children crossing the roads to and from the schools at a high risk.

Kind regards
