Reasons for comment:	
Comments:	<ul style="list-style-type: none"><li>- The developer is proposing dangerous access for a variety of vehicles on which is in reality a small rural lane</li><li>- The proposal is for 150 houses which would equate to in the region of 300 cars plus service and delivery vehicles resulting is higher traffic volumes.</li><li>- Increased demand on already overstretched GP and NHS Services</li></ul>
