Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<p>I object to the planning permission requested. The village is already struggling with the amount of people. It is impossible to get a doctors appointment or to get my children into the local school. There is a safety concern with the amount of traffic this will create.</p> <p>The following will be affected</p> <p>Design &amp; Character: Bulk, scale, appearance, materials that are out of character or overbearing; conflict with local design policies.</p> <p>Privacy &amp; Light: Overshadowing, loss of daylight, overlooking/loss of privacy to neighbours.</p> <p>Traffic &amp; Parking: Inadequate parking, increased traffic, highway safety concerns, poor road access.</p> <p>Environment &amp; Ecology: Harm to wildlife, loss of trees/habitats, flood risk, drainage issues, pollution, impact on heritage.</p> <p>Noise &amp; Disturbance: Excessive noise, smells, or disturbance from the proposed use.</p> <p>Public Realm: Overdevelopment, loss of public open space, impact on public rights of way.</p>
