Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I would like to object to this application which will demolish our green surrounding areas of greenbelt land which has not been released from the Greenbelt boundary. The effect it will have on the A227 will be immense & the A227 is already being used as a cut through by many vehicles including HGVs and despite other local roads being narrow. The parking at school times right at the position of the new houses is already oversubscribed. The additional population would put so much strain on the already overstretched GP services & local school.

Kind regards
