Address:	Cheyne Walk Meopham Gravesend

## Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<p>This development next to the Helen Alison would seriously disrupt the students who attend the school who are extremely sensory sensitive. The Longfield road at this point is used for car parking for the houses on the opposite side of the road that do not have parking making this a narrower stretch due to this. Notwithstanding that there is not the infrastructure to withstand the extra vehicles that a 120 housing application would bring should it be passed. The schools are already at capacity and at school times the local roads become even more congested due to parents having to park along the roads. Both shop parades have inadequate parking for the current residents, having additional traffic would further impact this be detrimental to the local business's that run there &amp; further hinder the blind spot at at Camer parade &amp; further pollute our village.</p> <p>This is just one of several applications ref: 20250992, 20251116 and the Blackthorn farm application that should be taken into consideration. The A227 is used massively as a cut through from the M20 to the A2. The impact on our infrastructure should be considered, schools, GP's pollution &amp; the environmental implications.</p> <p>Meopham is a rural village which just can't cope with this level of expansion. Why is the council not utilising site such as the old Gravesend hospital which has lay dormant for years of other sites bordering the A2 which have also remained unused.</p>
