Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I object to this proposed development because:</p> <p>It proposes building on high grade agricultural land which forms part of the green belt.</p> <p>The only road access would be onto a tiny rural lane and a narrow country road and would thus be unsuitable because dangerous.</p> <p>It would damage the rural setting of Meopham and eat into the land separating Meopham from Sole Street.</p> <p>It would not address local housing needs in Meopham.</p> <p>It would put an additional burden on Meopham's already overstretched public services.</p>

Kind regards
