Reasons for comment:

Comments:	<p>Purpose of the green belt is to prevent urban sprawl, thus development would cause the unrestricted sprawl of a built up area.</p> <p>Development would prevent neighbouring villages merging into one another.</p> <p>Inappropriate encroachment into the countryside and would cause loss of character of the village.</p> <p>The local infrastructure is unsustainable and cannot cope with an increased population.</p> <p>There would be a risk to highways and pedestrian safety.</p> <p>Increased traffic congestion.</p> <p>Unacceptable levels of noise and air pollution.</p>
