Reasons for comment:

Comments: I strongly object to this proposal, Norwood lane is a tiny rural lane definitely not suitable for the number of proposed houses. The view for current residents will be greatly ruined and obstructed, the impact will be devastating for those people that have happily lived there for many years. The road that leads onto Norwood lane from the Camer park end is windy and has many black spots, it will be so dangerous having many cars coming out onto this road and oncoming traffic. At the other end, trying to pull out onto Wrotham Road will be near impossible with the amount of extra cars you are proposing there will be.

Kind regards
