Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The construction of 150 homes would result in the probable addition of 100 and 250 cars all accessing the new development onto Green Lane. The proposed access point does not provide clear vision to traffic coming down Green Lane from Cobham / Sole Street areas, and thus has the potential to be an accident black spot, particularly in the rush hour periods when there are heavy streams of traffic cutting through from the A2. 150 homes would result in probably 350 extra people requiring using Doctor and Schools and other local facilities that are already stretched. Has the additional impact on local facilities been taken into consideration?

Kind regards
