### Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<p>I strongly object to this planning application for the following reasons:</p> <ul style="list-style-type: none"><li>- Greenbelt land has not been released. Building on this land is damaging for both fauna and flora.</li><li>- There is currently brown belt land available within Gravesham which is much more suitable for development.</li><li>- The A227 is already an extremely busy road with thousands of vehicles passing daily, including HGV's. The roads within the village of Meopham are not suitable to cope with this capacity as it already struggles when vehicle's try to cut through as there are many have narrow lanes. Vehicles use the A227 to link between two major roads - the A2 and M20.</li><li>- The schools and doctors surgery within Meopham are already overstretched, they would not be able to cope with an increase in capacity.</li><li>- Access is going to be extremely dangerous - there are 3 local schools in Meopham (Meopham community Academy, The Helen Allison school and Meopham school) all of which have roads full of cars on both sides . Increasing the traffic capacity is going to raise the risk of danger for hundreds of children.</li></ul>
-----------	---

Kind regards
