Reasons for comment:	
Comments:	I support the development plan. Meopham needs more housing for her development and for businesses to thrive. I understand the fact that every new house in the environment will bring its own impacts- new people and cars, yes, that's part of life. Having new houses will offer first buyers the opportunity to invest in their own property. New houses will bring new Schools, New GP, expansion of roads and new infrastructures. The plan should include the expansion of road.

Kind regards
