Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This will have an enormous impact on the environment. Something the government profess to be concerned about. This will always be green belt land regardless. It doesn't meet any criteria for grey belt land. The traffic around Meopham is already at breaking point. Most morning's it's at a stand still. The air pollution will become intolerable. This land currently acts as drainage for Culverstone Valley and the A227. This is very likely to cause massive flooding in the future. The access onto the main roads is impossible to make safe. Only causing more gridlocking of traffic. This will ruin the Village of Meopham and is caused by pure greed.

Kind regards
