Reasons for comment:

Comments:	Concerns and objections
Traffic congestion and roads not suitable for heavy traffic- this is a village with lanes and smaller roads. More cars and pedestrians will increase accidents, and congestion due to roads not being able to withstand traffic.	

Healthcare - GP Appts, nhs dentist is almost impossible to get now let alone with more housing. Elderly people will be waiting weeks for appts which could be fatal.

Schools- not enough school places, and if new school is built it will have detrimental affect on current education settings.

Wildlife/green belt land- preserving countryside and prevent urban sprawl. Meopham is a village. It will no longer be a village if this goes ahead. There is other derelict land in more urban areas that should be considered before destroying countryside. Noise and congestion will also affect wildlife.

Hospital- walk in clinics are already at capacity and waits are 4/5hrs. Same with A&E

Bus/trains- transport services is not suitable to accommodate an influx of thousands of people.

Privacy- building of this many houses will overlook current properties purchased for their setting and privacy.

Kind regards
