Reasons for comment:	
Comments:	I am strongly in favour of this. A secure place for responsible dog owners to exercise their dogs, in this area, is needed. Only a few weeks ago there was a tragic incident of a dog being killed on Church Street, by a speeding driver, having escaped a non secure field. The location of this field is off the road and along a secured track. There will therefore be no parking, or potential for obstruction, on Church Street. The field is/has been used for grazing for many years, so the presence of animals, and their visiting owners, has not affected the local wildlife. This is a positive business venture for Lower Higham and I wish the owners every success.

Kind regards
