Comments Details

Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: This application contains untruthful information and should be ruled as invalid. Application says work has not started, however this isn't true. A lot of work has already been carried out, both inside and outside of the building, including the demolition of a brick outbuilding, without planning permission, in a designated conservation area. This is a matter of provable fact, so it doesn't matter that this objection is anonymous.

Kind regards
