Comments:

I moved to Harvel on 1st June 2021. Having a village pub was one of the reasons we chose to move to Harvel so it was extremely disappointing to find the Amazon and Tiger had been closed just before we moved in. Most villages in this rural area have their own pubs and they are well used and the centre of the village community. I can't understand why the owners of the Amazon and Tiger have been allowed to take away this pub from the village without the local authority stepping in to make sure they have taken all possible steps to keep the pub open or to sell it as a business for the local community to continue to benefit from. It has been very difficult to integrate and get to know our neighbours without anywhere central to meet up and I cannot stress enough what a loss to the local area it is for the Amazon and Tiger to be allowed to close permanently. I am hoping you can listen and ensure our pub is saved, particularly as it is listed as an asset of community value.

Kind regards
